Scholarship Information

At Temple Israel, we want to ensure that everyone has access to religious education, social programming, and building community. If your family has any financial hardship that would hinder your child(ren) from attending any program, please know that you will not be turned away. Temple Israel has a scholarship fund that is available to families who need financial assistance. As with Annual Commitments, none of the educational or rabbinical staff have any information about a family's receipt of scholarship funds. If you are looking to inquire about scholarships, please contact Karen Nahary, Executive Director at knahary@tisharon.org.
