

We are thrilled that you are interested in enrolling in classes that are part of American Jewish University's Jewish Learning Experience which will be hosted at Temple Israel in Sharon, MA. j

While we always strive to make things as simple as possible, we appreciate your understanding that each organization needs separate registration forms in order to collect their own information and authorizations.

Please click [here](#) if this is **your first time enrolling in AJU's Jewish Learning Experience classes**. The initial screen will look like image #1 below and then you will be taken to the actual form, which looks like image #2, below.

For both new and returning students, please note:

1. You will need to upload a copy of your high school transcript (for 9th graders, a middle school transcript) so please have that available before starting the form.
2. The \$90, non-refundable Application Fee must be paid as part of this registration form. You will have the opportunity to submit payment information on the final page of the form.

After completing your initial form, in either your confirmation email (returning students) or welcome email (new students) you will be provided with a link to apply for Institutional Assistance, if that is something your child needs in order to participate in this program. **Please note that we have a limited amount of Institutional Assistance and it will be allotted on a first come, first served basis.**

As always, if you have any questions with the registration process, please don't hesitate to reach out to [Rabbi Carrie Vogel](#), who oversees the JLE.
